That "The Boys" of this county may never be forgotten when they return to private life, it is our purpose and desire to compile a complete record known as the

## HONOR ROLL OF BUCHANAN COUNTY

Every boy's picture and biography who has joined the colors and who enlisted in Buchanan County, or who claims Buchanan County as his home, regardless of where he is serving, should be recorded in a permanent record of Buchanan County.

Now that the world has again been made a safe place to live in, and our boys are returning to the country that so proudly sent them—they will welcome a record showing the photographs and biographies of themselves and others who represented their country in the World War, together with hundreds of overseas pictures of the great struggle for Liberty.

This county has given generously of its manhood, some of whom will never return. In the years of peace to follow, let not a single soldier be lost as an individual, but let every citizen of the country co-operate in every way to compile a record that will stand as a monument of credit to the patriotism of this country, a tribute to each individual soldier, an Honor Roll to which you can point with pride, which will serve as a permanent history of "Who's Who" for the benefit of the generations to come.
